

Dear Hiring Manager,

I am currently pursuing a Bachelor of Technology (B.Tech) in Information Science and Engineering and am excited to apply for this internship opportunity. I am eager to expand my technical skills, gain practical industry experience, and contribute to meaningful projects.

Throughout my academic journey, I have built a strong foundation in Java, Python, SQL, JavaScript, React, Node.js, Flask, REST APIs, and MongoDB. I have also worked on software development, AI, cloud-based applications, and database-driven systems through academic projects and internships, including experience with IBM SkillsBuild and Hindustan Aeronautics Limited (HAL).

I enjoy solving real-world problems, learning new technologies, and collaborating with teams to develop innovative solutions. I am a quick learner, adaptable, and committed to continuously improving my technical and professional skills.

I would be grateful for the opportunity to contribute to your organization while learning from experienced professionals. Thank you for considering my application. I look forward to the opportunity to discuss how my skills and enthusiasm can contribute to your team.

Sincerely,

Koushik K

B.Tech – Information Science and Engineering
